LOVE WITH ALL YOUR HEART

Jesus' life tells us that love is at the very center of who God is and who we are called to be.

In the midst of our confusion, and our questions, and the business, and the identities we think we have created for ourselves, Jesus tells us, however easy or hard it may be, that we are called to live the love that is the core of who we are.

We Catholics seem to hear this message of love a lot, and we were really hoping to find something new and fresh this morning. But in today's passage, I don't think there is any getting around the topic of love. And most importantly, there is no way of getting away from this love.

This commandment, which upon further analysis seems confusing and so difficult for us to fully accomplish by ourselves, only becomes possible when we remember that God is utterly committed to loving us.

So we are called, we are commanded, if you will, to put the law of love above all else, knowing for certain that God will always and forever love us.

October - The Month of the Holy Rosary

Feast of Our Lady of the Most Holy Rosary

Friday, October 7 - 6:00 p.m. Mass

WE HAVE HISTORY HERE.

The feast day of Our Lady of the Rosary, observed on October 7, commemorates a miraculous victory of Christian forces over the Moslems' domination of the Mediterranean on the first Sunday of October in 1571, the Battle of Lepanto. I say that it was miraculous for three reasons:

1) Martin Luther's "Reformation" had further split Christendom. The armies and navies of the Protestant countries—important powers like England, Holland, and much of Germany--would not side with the remaining Catholic countries.

2) The Catholic coalition, known as the "Holy League," made up of mostly Spanish and Venetian troops and some Knights Hospitallers was vastly outnumbered. Led by Don Juan of Austria (a Spaniard), the Holy League did have an advantage in its artillery, its use of free men as oarsmen, and its General. Some Moslem ships were rowed by Christian captives who were prone to mutiny--serves 'em right!

3) The greatest miracle was that Pope Pius V was not only able to put together this military coalition, but also to get great numbers of the faithful to pray the Rosary for a coalition victory during the battle. It is said that Pope Pius received a vision at the moment of victory, long before word could be communicated back to Rome through normal channels!

Pope St Pius V instituted a feast on this day, honoring "Our Lady of Victories." Some say "Victory," but I like the plural, for there were other victories after Lepanto: The Battle of Vienna on 12 September 1683, the day that would become the feast of the Holy Name of Mary. In 1716, Clement XI inscribed the feast of the Holy Rosary on the calendar of the Universal Church, in gratitude for the victory gained by Prince Eugene in Serbia, on August 5, the feast of Our Lady of the Snow. No doubt there were and will be other victories. And they will correctly be ascribed to the Blessed Virgin Mary, Our Lady of Victories.

One final word: As impressive as military victories are, they pale in importance to the victory we should always be asking from Our Lady. That victory is the victory over ourselves—that we may give up all attraction to sin, and be drawn only to what will make us holy and to Jesus Christ, her divine Son. That is the true victory! Happy Feast Day!

Invitation To Missa Alba (White Mass)

Saturday, October 22 - 9:00 a.m. Mass

Perhaps no group of people has been so affected by difficulties in the last few years as the front-line workers in the medical profession. In order to gather members of the medical field (doctors, nurses, pharmacists, nurse's aides, respiratory therapists, etc.) under the patronage of St. Luke, the historic St. Patrick's Oratory in Green Bay will be offering a "White Mass" on Saturday, October 22, at 9:00 a.m.

The tradition of these Masses dates back to the 1930's. The Divine Liturgy will be expressed as a High Mass in the Extraordinary Form with new music composed by Kevin Allen and sung by the St. Patrick's Men's Schola. All are welcome to attend the Mass, but a special invitation is extended to the members of the medical field and their families. A blessing of the hands, with a light lunch follows the Mass.

This event is open to all the men of St. Patrick's Oratory who are 21 years and older. Please plan to join Canon and the other men of our parish for this event. This is a great opportunity to meet and socialize with other like-minded Catholic men from the Oratory. We hope to see you there!
