An extraordinary pilgrimage for extraordinary times; travel to Madeira for the Centenary of the death of Blessed Karl I, the last reigning emperor of the Hapsburg Monarchy. Discover how Divine Providence chose this remote island jewel to be the final resting place of the *Peace Emperor*, whose WWI rule, modeled on the 'Social Kingship of Christ', led him first to worldly banishment, but ultimately to eternal honor!

July is the Month of the Precious Blood:

Pray the Precious Blood Novena every day.

Novena Prayer to Our Infant King

O Divine Infant Jesus, I have recourse to Thee. Please, through Thy Blessed Mother, assist me in this necessity (mention intention here), because I firmly believe that Thy Divinity can help me. I hope with confidence to obtain Thy holy grace. I love Thee with all my heart and with all the strength of my soul. I repent sincerely of my sins and I beg Thee, O Good Jesus, to grant me the strength to triumph over them. I resolve never more to offend Thee and I come to offer myself to Thee with the intention of enduring everything rather than to displease Thee. Henceforth, I desire to serve Thee with fidelity and, for the love of Thee, O Divine Infant, I will love my neighbor as myself. All powerful Infant, O Jesus, I implore Thee again, assist me in this need. Grant me the grace of possessing Thee eternally with Mary and Joseph and of adoring Thee with the angels in the heavenly court. Amen.
