DESIGNED IN THE PRESENT

By the grace of Almighty God and because of your prayers and support, we have succeeded in accomplishing the previously unthinkable. The Institute's Shrine of Christ the King has been saved, secured and sheltered. We could not have done this without your help, and on behalf of the entire Institute family: thank you.

Thanks to your help, Phase I is complete and the panic is over. The building is secure and protected from the elements. Now we are ready to build the Institute's namesake Shrine on our own property so that the reign of Christ our King may bless you, our Institute and our nation.

BUILT FOR THE *Future*

As we now begin Phase II to build the Institute's National Shrine, our Prior General, Monsignor Gilles Wach, and our Provincial Superior, Canon Matthew Talarico, ask us to pray publically the Memorare each day for this very intention: to build the Institute's National Shrine to Christ the King. Through constant prayer to St. Joseph, we have been blessed with shelter and stability. Now by our devotion to the Immaculate Conception, Our Blessed Mother will procure for us all that is necessary to build for her Divine Infant Son a National Shrine to honor Him as King.
