Sanctus Candle

During Low Masses, the *Sanctus candle* now burns on the right side of the altar near the center from the beginning of the Canon (after the Sanctus) until the end of the distribution of Holy Communion. Though in practice rarely used, the Sanctus candle has always been included in the rubrics of the Missal and remains a beautiful symbol for the holiest portion of the Mass. The use of the Sanctus candle mirrors the role of the torchbearers at High Mass. The torchbearers enter the sanctuary at the Sanctus, and they remain kneeling there from the consecration until the tabernacle is closed after the distribution of Holy Communion, thereby indicating and honoring the Real Presence of Christ on the altar. In the same way, the Sanctus candle is placed on the altar at the Sanctus at Low Mass, and then indicates and honors the Real Presence of Our Lord on the altar from the consecration until after the distribution of Holy Communion.

Safety Precautions

Please take precautions to prevent the spread of COVID-19 infections. Facemasks are available at each entrance. Please also continue to observe a safe distance between persons outside of your household and to avoid congregating outside on the steps or sidewalks before or after Mass. Thank you for these little sacrifices you make to ensure that our Oratory can continue to serve your spiritual needs.

If you or someone in your household show signs of sickness, or if your health is highly vulnerable, please kindly stay at home and sanctify Sunday as best as you can with spiritual communion, pious reading and prayer from your Mass missal, while following the celebration of Holy Mass on the Institute's online platform: Live Stream Liturgies, available on our main website and social media: www.icksp.org.
