Sunday, January 4, 2009 † Most Holy Name of Jesus

THE MOST HOLY NAME OF JESUS

"That in the name of Jesus every knee should bow, of those that are in heaven, on earth, and under the earth"
(St. Paul to the Philippians 2:10).

The feast was established for the whole Catholic Church in 1721 by Pope Innocent XIII. If there is a Sunday in the interval between January 1 and January 6, this Sunday is the feast of the Holy Name. Jesus is a name which is substantially the same in sound in all the languages of the world, and is written 968 times in the New Testament. We should always use the Holy Name of Jesus with the utmost reverence and encourage others to do so as well.

The Holy Name of Jesus is an all-powerful prayer. Our Lord Himself solemnly promises that whatever we ask the Father in His Name we shall receive. God never fails to keep His word.

When, therefore, we say, "Jesus," let us ask God for all we need with the absolute confidence of being heard. For this reason, the Church ends her prayer with the words, "through Jesus Christ," which gives the prayer a new and Divine efficacy.

Each time we say "Jesus" reverently, we give God infinite joy and glory, for we offer Him all the infinite merits of the Passion and Death of Jesus Christ. Each time we say "Jesus," let us clearly wish to offer God all the Masses being said all over the world for all our intentions. Each time we say "Jesus," we gain indulgences for the Holy Souls in Purgatory, thus relieving and liberating very many of these holy souls from their awful pains.

The Holy Name of Jesus saves us from innumerable evils and delivers us especially from the power of the bad enemy, who is constantly seeking to do us harm. St. Antony revealed that there are swarms of devils everywhere, but that they are powerless to harm us when we use the Holy Name of Jesus and sacramentals to ward them off.

CONSTITUTIONS OF THE INSTITUTE OF CHRIST THE KING APPROVED BY THE HOLY SEE:

CANONS AND OBLATES LIVE PROPER IDENTITY ACCORDING TO CANONICAL FORM OF LIFE.

With the Decree *Saeculorum Rex* signed by the President of the Commission *Ecclesia Dei*, Dario Cardinal Castrillón Hoyos, in the name of the Roman Pontiff, the Institute of Christ the King Sovereign Priest was elevated to the status of Pontifical Right on October 7th 2008, the Feast of Our Lady of the Rosary. This favor was granted after a mature deliberation conducted according to the traditional procedures of the Roman Curia, including several positive Apostolic Visitations and the affirmative consultation of over fifty Bishops in whose Dioceses the Institute is present.

The canonical form of the Institute's life is mainly expressed in the emphasis its constitutions put on the regular and solemn celebration of the Sacred Liturgy during the day, foremost through the solemnity of the Holy Sacrifice of the Mass, which is the focus of the community life, but also through the Holy Office, which, in its recited or chanted form, regulates and sanctifies the daily work. After the example of the secular Canons in the history of the Church, the Canons and Oblates of the Institute of Christ the King Sovereign Priest have the goal to spread the kingdom of Christ and to evangelize the world through the sanctification of life with the liturgical celebrations instituted by Jesus Christ the Eternal High Priest and cultivated by the Church under the guidance of the Holy Ghost. For this reason, the members of the Institute make the glorification of God in the Liturgy the focus of their fraternal unity and of their apostolic work. Both are expressed in their Choir habit, which underscores their canonical order of life. The blue color of the choir habit signifies their consecration to Our Lady of the Immaculate Conception as their main patroness and their devotion to St. Francis de Sales as the example of their desire for an ever greater charity. With these are combined the spirit of true Romanity and a faithful attachment to the Vicar of Christ on earth.

Now approved by the Holy See, the Institute's canonical order of life as established by its constitutions under the governance of Monsignor the Prior General seals the distinctive identity of the Institute of Christ the King Sovereign Priest. The Canons and Oblates of the Institute are humbled by the fact that their very own charism and identity was approved by the highest ecclesiastical authority. They promise to live the spirit and letter of their constitutions to the fullest, well knowing that perfection is a gift of God and that all their efforts can only come to fruition if commenced, accompanied and accomplished by divine grace.
