**11TH SUNDAY AFTER PENTECOST**  
**MASS TEXTS IN PARISH BULLETIN , P. 6-7**

Dear faithful,

A big thank-you to all who participated in and helped prepare our annual Fathers and Sons Camp of the Oakland and San Jose apostolates! It was a great success.

Please be sure to continue requesting Masses.\* We can never outdo ourselves in generosity to the souls of our friends and neighbors by having the Holy Sacrifice offered for them.

Who doesn't like flowers? If you are interested in helping with the arranging of the altar flowers in church, please contact me by phone or email. This beautiful work gives glory to God through the labor of our hands and our creativity, and augments the beauty of the Mass and our church.

As previously mentioned, I will be out of town from Monday, August 9 – Saturday, August 28 for vacation and then the Institute's General Chapter, in Italy. Please check the bulletin for information regarding substitute priests. There will also be further communications via email.

Please also note that there won't be the usual adoration and devotions after Mass on the following dates:

- Friday, August 13 (Friday adoration)
- Friday, August 20 (Friday adoration)
- Thursday, August 19 (St. Joseph devotions)

Wishing you a blessed Sunday,  
Canon Benjamin Norman

\* To make a Mass intention request at St. Margaret Mary: please email or call the Parish Office Secretary, Gloria Maldonado, and request a Mass on either a specific date or the next available date. You may ask for an Extraordinary Form Mass specifically. Stipends made by check should be made payable to "St. Margaret Mary Church." The customary donation is \$10 per Mass.

### UPDATE ON CANON FRAGELLI

Since May 21, Canon Henrique Fragelli has been in the Covid intensive care unit at Carregi Hospital in Florence, Italy, in the care of specialized doctors.

At his time, he continues to be on the ECMO machine which provides him with the necessary respiratory support because of the very damaged condition of his lungs. While there is a slow, uneven recovery of the functional areas of his lungs, Canon needs approximately 60% functional lung replacement.

His doctors foresee a long and demanding period of ECMO treatment and intensive care. So far, they have been successful in overcoming serious invasive infections caused by his state of profound immunosuppression.

After passing the intensive care phase, Canon will need a long recovery period over months. This will be demanding since he must recover muscle mass and strength. The outcome of lung damage can significantly affect functional recovery and therefore the prognosis.

Canon Fragelli is not suffering and benefits from the presence of some of his family members at his bedside each day.

His doctors are confident in his treatment. We entrust the outcome of this treatment to our Blessed Lord, the Sovereign High Priest. May He hear the faithful prayers of so many for Canon Fragelli, thereby granting to our dear priest a complete and prompt recovery back to full health.
