ST. ANTHONY OF PADUA CHAPEL NOW ADMINISTRATED BY THE INSTITUTE OF CHRIST THE KING

Just before the Feast of the Nativity, the Board of Directors of St. Anthony's Chapel signed the legal documents which enable the transition of St. Anthony's Chapel to the Institute of Christ the King Sovereign Priest. The Institute of Christ the King owns and administers the Chapel and will ascertain the seamless continuation of the Chapel liturgy and life.

The Institute of Christ the King is deeply grateful for the confidence of the Board of Directors and all the faithful expressed also in the recent poll. In a special way, Monsignor the Prior General of the Institute wants to thank the members of the Board, Mrs. Mary Trezza, Mr. Bob Ciuffreda and Mr. Larry Small, for all they have done to be faithful to the heritage of Reverend Father Paul Wickens and to keep the Chapel alive under not always easy circumstances. With great personal engagement and sacrifice, they have made sure that what Father Wickens had built could continue and grow with the blessing of the Archbishop of Newark. They have finally found our Institute and invited us here. Our deepest gratitude goes to them, and also to former Board member Mr. Andy Flock and to Mrs. Terry Ciuffreda for her diligent help as accountant. Their untiring and selfless work is deeply appreciated and they are in our grateful prayers.

Likewise we pray for and we thank all Chapel members who over the years have contributed in one way or another to preserve this haven of the Catholic tradition, and we invite you to help us with your friendship and prayerful support also in the future.

Holy Providence has had this plan all along. Let us all work

CHURCH UNITY OCTAVE JANUARY 18-25 & FEAST OF THE CONVERSION OF ST. PAUL

We pray for the return of the separated Christians to the Unity of the Church. On Sunday, January 18th the oration *For the Unity of the Church* is added at Mass.

The Congregation for Divine Worship and the Discipline of the Sacraments issued a decree authorizing the celebration of the Feast of the Conversion of Saint Paul on Sunday, January 25, 2009. Usually feasts that occur on Sundays are moved to a week day since Sunday is reserved for the celebration of Jesus' resurrection. The authorization was granted because of the Pauline Year, inaugurated by the Holy Father on June 28, 2008. The Pauline year commemorates the 2000th anniversary of the birth of St. Paul the Apostle.

together and implore the blessing of St. Anthony in order to bring this divine plan to full fruition. May the Divine Infant King bless all those who have collaborated with God's grace for the life of St. Anthony's Chapel in the past and will do so in the time to come.

Informed of the transition, the Most Reverend Archbishop of Newark, with the letter of December 23rd, has given the permission to the Prior General of the Institute of Christ the King to canonically establish St. Anthony's a residence and oratory of the Institute according to canon law. With the decree of December 24th, Monsignor the Prior General has erected St. Anthony's Chapel into an Oratory of the Institute and the adjacent house into a canonical Residence of our community. In addition, the Archbishop has given the permission to keep all sacramental registers. Thus, the Oratory of St. Anthony is now an Oratory of the Institute of Christ the King in the Archdiocese of Newark with the right of the celebration of the extraordinary form of the Holy Mass **and all other sacraments**. This canonical status is guaranteed for the entire time of the presence of our Institute. This way, the continuation of the heritage of Father Paul Wickens through the Institute of Christ the King is now protected by Canon Law. A wonderful Christmas gift for all of us!

Again, our gratitude goes to all of you for yours prayers and faithful support, but in a very special way to the late Father Paul Wickens, to the former Board of Directors of the Chapel, and to the Most Reverend Archbishop of Newark. May the Infant King, so dearly beloved by St. Anthony, bless and reward you all!
