Wisdom from St. Francis de Sales

"Devotion is a certain intensity of charity
which not only makes us prompt,
active and diligent in observing God's Commandments,
but moves us beyond that to perform as
many good deeds as possible, even
those which are only counseled or inspired."

- From the Vice Rector -

Dear Faithful,

This past week we celebrated the feast of Our Lord's epiphany. At the first Epiphany, the three holy kings brought gold, frankincense, and myrrh as gifts for the newly born Savior. These three gifts teach us about our Lord's nature. He was brought gold because He is a King, our King, Christ the King. All heaven and earth must acknowledge his supreme dominion over them. He was brought frankincense, which is burned as an offering to almighty God in the divine cult, because He is true God, the Second Person of the Most Holy Trinity. He was brought myrrh, which is a spice used to embalm the bodies of the departed, because He is true man come to die on the cross in our place for our sins.

A very blessed time of the Epiphany to you and yours!

Rev. Canon Luke Zignego

VOICES FOR VOCATIONS

Concert And Silent Auction

Priestly vocations are not bought, they are a product of grace working in a holy and Catholic environment. The Voices for Vocations concert is a time when we try to remind ourselves about such an environment or culture. The Concert is not merely a fundraiser, nor simple entertainment. It is a cultural event that lifts the heart and mind to God and enriches our intellect.

This is also why the event has not consisted solely of music but also of Catholic art and rhetoric that foster a love and appreciation for the varied and beautiful callings that God grants to men for the salvation of souls.

It is our sincere hope that you can come and appreciate the beautiful arts that will be displayed. Moreover, we hope that you will leave the event with a greater love of God and His holy priesthood and a stronger will to support the men who strive to answer God's call.
