FAREWELL & WELCOME
RECEPTION FOR OUR
DEAR CANONS.

FROM OUR MUSIC DIRECTOR

Laudate eum omnes gentes!—Praise Him all ye peoples!

Thanks be to God our Music Program here at the Shrine of Christ the King continues to grow and develop in a delightful way. **Now, it is time for you to sing!** With the academic year starting up again, I would like to invite you to consider devoting your talents to the service of the church by singing in the choir. The choir is especially in need of male singers to provide a better balance with our growing female sections. If you are inspired by the beautiful music that the choir works so hard to prepare and you want it to continue to improve, please consider talking with me to see how you can contribute!

Thank you all very much for your constant prayers and encouraging support of the choir members as they continue to work so hard to prepare the most beautiful music possible for our Infant King.

Choir Practice: Sundays after 10:30 Mass—Schola Practice: Thursdays - 7:30pm - 8:30pm

BUILDING OUR PROVINCIAL SHRINE OF CHRIST THE KING

Phase 2 Work

Work begins on the first part of Phase II to excavate and grade the interior

While the canons were away at the General Chapter meeting this past week, work began in earnest on the interior of the Institute's U.S. Provincial Shrine of Christ the King. This long awaited first part of Phase II was able to begin nearly a month early because of the great generosity and enthusiasm for this important project from our friends and benefactors from around the United States.

Part 1 of Phase II will provide a 6" thick, structural concrete slab to the church's narthex, nave, sanctuary, and basement as a foundation for the subsequent steps in Phase II.

This scope of work includes the excavation and grading of the present interior, installation of utility services, the routing and installation of all electrical conduit in the floor (in preparation for subsequent running of electrical wires), the routing and installation of all interior plumbing systems, and the installation of the radiant heating system into the floor prior to pouring the massive concrete slab.

Thank you for your generous support in these difficult times for the Church as you help build a stable home for the Institute in the United States, making visible the reign of Christ the King in all things!

*Rev. Canon Matthew Talarico
U.S. Provincial Superior*
