Phase II Restoration Continues

This past week, electricians have been installing more than 1,000 feet of electrical conduit in the church basement for the future restrooms and mechanical room. This task will be completed early next week and will be inspected later next week as well. The pex tubing for the radiant heat system in the main body of the church has finally arrived! Workers will begin laying out the tubing on Monday of next week.

Be At Peace Prayer

by St. Francis de Sales

Do not look forward in fear to the changes in life;
rather, look to them with full hope that as they arise,

God, whose very own you are,
will lead you safely through all things;
and when you cannot stand it,
God will carry you in His arms.

Do not fear what may happen tomorrow;
the same understanding Father who cares for
you today will take care of you then and every day.

He will either shield you from suffering
or will give you unflinching strength to bear it.
Be at peace, and put aside all anxious thoughts and imaginations.
