Dear Faithful,

After a hiatus of several months from our restoration efforts in the Holy Family House, I am happy to announce that we have begun our work again this week in the future community hall space in the basement, directly beneath the chapel. This work includes remediating any hazardous materials, repairs to the brick walls, cleaning of the room and preparing it for painting, painting itself, and then the installation of a new floor. A lot of the work has been or will be accomplished by our skilled volunteers, to whom we are very grateful for their time and efforts! However, some of the work needs to be hired out, and in order to cover these costs, we rely on your generosity! Thank you very much for your help, which will go a long way to help prepare this space for our community to gather for events! See the back page of the bulletin for some pictures of the work already accomplished, as well as the continuing work being done in the church.

In Christ our King,

Canon Luke Zignego
