## Devotion to the Infant King practiced at the Shrine:

Devotion to the Child Jesus dates back to the **early Church**. However, it really began to develop during the Middle Ages. St. Francis of Assisi, St. Anthony promoted it in the 13th century. In the 16th century, the popularity of the Child Jesus grew in Spain under the influence of St. Teresa of Avila. In Baroque Spain it became the custom **to dress these statues** in special robes as a sign of the royalty of Christ. Like these historic statues, the Infant King statue venerated at the Shrine of Christ the King in Chicago originates from **late 17th century Spain**. Thus this statue is not meant to be a copy of another, but it is truly an original statue which came forth from this wave of devotion to the Infant Jesus during this time in history.

Following in the widespread tradition which celebrates the **25th day of the month** in honor of the day on which Christ was born, a Novena of prayer is offered from the **17th until the 25th** day of each month at the Shrine of Christ the King in Chicago.

Prayer intentions are gathered and placed **behind the altar** during this Novena. Along with these prayer requests, devotees of the Christ Child also **offer a candle or a flower** to be placed at the altar of the Infant King as visible signs of prayer and love. These gift offerings enhance the beauty of the sanctuary and contribute to its restoration.

### From Dom Gueranger's Commentary on the Epistle of the 3rd Sunday of Lent:

The Apostle, speaking to the Faithful of Ephesus, reminds them how they once were darkness; but now, he says, ye are Light in the Lord. What joy for our Catechumens to think that the same change is to be their happy lot! Up to this time, they have spent their lives in all the abominations of paganism; and now they have the pledge of a holy life, for they have been received as candidates for Baptism. Hitherto, they have been serving those false gods, whose worship was the encouragement to vice; and now, they hear the Church exhorting her children to be followers of God, that is to say, to imitate Infinite Holiness. Grace—that divine element which is to enable even them to be perfect as their Heavenly Father is perfect—is about to be bestowed upon them. But they will have to fight hard in order to maintain so elevated a position; and of their old enemies two, in particular, will strive to re-enslave them: impurity and avarice. The Apostle would not have these vices so much as named among them from this time forward; for they, he says, that commit such sins are Idolaters, and by your vocation to Baptism you have abandoned all your idols.
