Wisdom from St. Francis de Sales

*"Saint Augustine says that if we want to die well, we must live well; as our life is, so shall our death be. To sum up the matter in a few words, we say that the rule for a happy death is to lead a good life, placing our trust in the merits of the Passion of Our Lord Jesus Christ, without Whom every day would be a terrible and terrifying event.
(Sermons 62; O.X, p. 234)*

Shrine Gala 2022

We held our annual Shrine Gala fundraising dinner this past Saturday, March 26th, and it was a huge success. Almost 350 people turned out to support our fundraising efforts to continue construction on our Shrine to Christ the King. Architect Wiliam Heyer talked about the Shrine's Roman design and it's relevance as a Chicago landmark, Canon Talarico discussed the spiritual importance of the Shrine project and how Saint Joseph will help us to complete it, and Canon Zignego gave us updates on the work accomplished so far in the 2nd phase as well as the work to be done. Guests enjoyed listening to these speakers, tasting the delicious chocolates in the shape of the Institute crest (special thanks to Katie Sartino for making and donating them), visiting with friends new and old, as well as bidding on the silent auction items. Thanks to your generosity, we were able to raise over \$90,000 for the Shrine project! These funds will go towards the metal stairs and stairwell that lead up into the choir loft and the tower, as well as helping us to continue work in the second phase. May God reward your generosity!

In Christ our King,
Rev. Canon Luke Zignego
