ABOUT ST. JOSEPH SHRINE

A magnificent Victorian Gothic edifice completed in 1873 and noted as of national architectural significance, St. Joseph Shrine is a landmark center of Catholic Faith, culture, and community in Detroit's historic Eastern Market district. Since October 2016, the Canons of the Institute of Christ the King Sovereign Priest have served and led the local faithful by bringing daily Masses, regular devotions, liturgical instruction, and an active parish life. As a result, the parish community at St. Joseph Shrine continues to grow, enriching both young and old, individuals and families from all backgrounds and neighborhoods.

In July 2013, St. Joseph was merged with two nearby parishes. Then in October 2016, St. Joseph became its own parish under the spiritual and pastoral care of the Institute of Christ the King. **In March 2020, the Parish was granted the designation of Archdiocesan Shrine** in recognition of its vibrant spiritual growth and daily life.

Infant King Devotion

Devotion to the Infant King practiced at the Shrine: Devotion to the Child Jesus dates back to the early Church. However, it really began to develop during the Middle Ages. St. Francis of Assisi, St. Anthony promoted it in the 13th century. In the 16th century, the popularity of the Child Jesus grew in Spain under the influence of St. Teresa of Avila. In Baroque Spain it became the custom to dress these statues in special robes as a sign of the royalty of Christ.

Here at the Shrine, devotees of the Christ Child can also offer a candle to be placed at the altar of the Infant King as visible signs of prayer and love. These gift offerings enhance the beauty of the church and contribute to its restoration.

May He reign in our hearts and in our souls!
