But let us consider the symbol chosen to designate this divine change. He who showed himself under the endearing form of a Dove on the occasion of Jesus' Baptism in the Jordan, now appears under that of Fire. He is the Spirit of Love; and love is not only gentle and tender, it is also ardent as fire. Now, therefore, that the world is under the influence of the Holy Ghost, it must needs be on fire, and the fire shall not be checked. And why this form of Tongues? To show that the heavenly fire is to be spread by the word, by speech. **Dom Gueranger**
